**Poppy's Cafe:** Yes, there's still a luncheonette in Rye, with turning, red-leather stools and a community bulletin board. It's so typical, the state Lottery filmed an ad here. Breakfast specials with toast and coffee or a good ol' tuna melt for lunch

keep this local sweetheart going. *American*. \$ 27 Purchase St., Rye. 914-967-1544. [poppyscafe.com](http://poppyscafe.com)
